

COOKIE POLICY

Last Updated: 4 June 2026

This Cookie Policy explains how **GymPlusOne Ltd** ("Gym+1", "we", "us", or "our") uses cookies and similar tracking technologies on our website www.gymplusone.com and the Gym+1 mobile application (collectively, the "Platform").

By continuing to use the Platform, you consent to our use of cookies as described in this policy, unless you have adjusted your browser or device settings to refuse them.

1. WHAT ARE COOKIES?

Cookies are small text files placed on your device when you visit a website or use an application. They store information about your preferences and activities to improve your experience, enable functionality, and help us understand how the Platform is used.

Similar technologies include web beacons, pixel tags, and local storage, which perform comparable functions.

2. TYPES OF COOKIES WE USE

2.1 Strictly Necessary Cookies

These cookies are essential for the Platform to function. They enable core features such as account login, security authentication, and session management. Without these cookies, the Platform cannot operate properly.

Examples: Authentication tokens, session IDs, CSRF protection tokens.

Duration: Session-based or up to 30 days for persistent login.

Legal Basis: Legitimate interest (necessary for service provision).

2.2 Performance and Analytics Cookies

These cookies collect information about how users interact with the Platform, including pages visited, features used, error messages encountered, and load times. This helps us identify issues and improve performance.

Examples: Google Analytics, Mixpanel, Amplitude.

Duration: Up to 2 years.

Legal Basis: Consent (can be disabled via cookie preferences).

2.3 Functionality Cookies

These cookies remember your preferences and choices to provide a personalised experience, such as language settings, location preferences, and display customisations.

Examples: Location preference storage, theme settings, notification preferences.

Duration: Up to 1 year.

Legal Basis: Consent (can be disabled via cookie preferences).

2.4 Targeting and Advertising Cookies

These cookies track your browsing habits to deliver relevant advertisements and measure the effectiveness of marketing campaigns. They may be set by us or by third-party advertising partners.

Examples: Facebook Pixel, Google Ads conversion tracking, LinkedIn Insight Tag.

Duration: Up to 2 years.

Legal Basis: Consent (can be disabled via cookie preferences).

2.5 Social Media Cookies

These cookies are set by social media platforms when you interact with embedded content or share buttons, enabling those platforms to track your activity.

Examples: Facebook Connect, Twitter widgets, Instagram embeds.

Duration: Varies by platform (typically up to 2 years).

Legal Basis: Consent (can be disabled via cookie preferences).

3. THIRD-PARTY COOKIES

We partner with the following third parties who may set cookies on your device:

Third Party	Purpose	Privacy Policy
Google Analytics	Usage analytics and performance monitoring	policies.google.com/privacy
Google Ads	Advertising and conversion tracking	policies.google.com/privacy
Meta (Facebook/Instagram)	Social media integration and advertising	facebook.com/privacy/policy
Stripe	Payment processing and fraud prevention	stripe.com/privacy
Mixpanel	Product analytics and user behaviour	mixpanel.com/legal/privacy
Intercom	Customer support and messaging	intercom.com/legal/privacy

4. HOW TO MANAGE YOUR COOKIE PREFERENCES

4.1 Cookie Consent Banner

When you first visit the Platform, a cookie consent banner allows you to: accept all cookies; reject non-essential cookies; or customise preferences by category. You can revisit and update your preferences at any time by clicking "Manage Consent" in the footer or through your account settings.

4.2 Browser Settings

You can configure your browser to block or delete cookies:

- **Google Chrome:** Settings > Privacy and security > Cookies and other site data
- **Mozilla Firefox:** Preferences > Privacy & Security > Cookies and Site Data
- **Safari:** Preferences > Privacy > Cookies and website data
- **Microsoft Edge:** Settings > Cookies and site permissions

Please note that disabling cookies may affect Platform functionality, particularly login and personalisation features.

4.3 Mobile Device Settings

On mobile devices, you can manage tracking through:

- **iOS:** Settings > Privacy & Security > Tracking
- **Android:** Settings > Privacy > Ads > Opt out of Ads Personalisation

5. DO NOT TRACK SIGNALS

Some browsers transmit "Do Not Track" (DNT) signals. Gym+1 does not currently respond to DNT signals as there is no consistent industry standard for interpretation. However, you can manage cookie preferences through the mechanisms described above.

6. COOKIE DURATION

Cookies may be:

- **Session Cookies:** Deleted when you close your browser or log out.
- **Persistent Cookies:** Remain on your device for a defined period or until manually deleted.

7. CHANGES TO THIS COOKIE POLICY

We may update this Cookie Policy to reflect changes in technology, regulation, or our practices. Material changes will be notified via the Platform or email. The "Last Updated" date at the top indicates when revisions were made.
